Hey Rock Team! It's been awhile since the last Rock Mag but so much has happened. Check it out!

Update

It's been far too long since I have written to you all and updated you on what I have been up to. There is a lot to write about but to keep you entertained I will just give you a bit of information and if you would like further news you can email me ☺.

- July - Went to Mid Year Conference with Student Life (university ministry of Campus Crusade) and served on the worship team. This was a great time and I got to enjoy playing guitar at this conference.
- August - We played at Tyndale Christian School. This was a fantastic gig. Played in front of 400 students. 88 committed themselves to Christ and 84 want to know more. This shows how important it is to evangelise to Christian Schools as well as public schools.
- I have also been working on a project for CRAM. This project is making a promotion video that will be used to help people think about joining CRAM in the future.

We are getting more and more bookings. 14th September we are playing at Muswellbrook High (it's somewhere near Newcastle I've been told). We have our conference coming during the October Holidays this will be hectic because we will be playing as well as getting training. We are also playing at a study camp during the holidays. We may also be playing at Blaxland High in the next few weeks. People are getting very interested in this ministry and a few people are ringing up about booking us for next year.

Big news!! In earlier editions of the Rock Team Mag I have been asking for prayer in regards to what to do next year. Thank you to those who have been praying for me.

This year I have been doing an internship with CRAM. At the end of the year I could choose to continue as an intern for another year, join CRAM as a permanent missionary (3-4 year commitment) or leave CRAM and serve God in another field.

After a lot of prayer and consideration I have decided to do MTS (ministry training strategy) at my church (Springwood Winmalee Anglican). This will be a two year commitment in which I will be pastoring our youth service (TOAST) and attending Anglican Youth Works Bible College.

I would appreciate your prayers for next year. I need to apply for Bible College and have an interview which will be later on in the year.

Praise God for...

- More gigs coming up
- More kids being reached and accepting Christ in their lives
- God revealing his plan of what He wants me to do next year

Pray that...

- CRAM will be able to recruit a bass player for next year
- John (lead singer) will be able to finish his thesis without too much pressure
- I will take time out to praise God

Thank you for taking the time to read Rock Team Mag. Please stay tuned for the next issue!
